

Rust Remover Gel

One of the most trusted product by industries and classic car enthusiast for rust treatments for over 38 years. FERTAN products have been bestselling rust removers, coatings and primers in Germany and several other European countries for several years now.

FERTAN® RUST REMOVER GEL is perfect for the removal of rust and corrosion on metal parts, especially in hard to reach places. The gel can easily be applied using a brush or sponge and has a relatively short reaction time when compared to liquid solutions.

RECOMMENDED FOR: Rust-proofing and maintenance interventions on any material that rusts.

-  Can be applied directly with brush or sponge for hard-to-reach areas
-  Water-based, non-toxic & biodegradable
-  Completely removes rust, does not mask it
